NATION BUILDING CONTRACTING L.L.C

COMPANY PROFILE

Introduction

Started out with small sub -contracting works like block-work, plastering, tiling, equipment foundation work, interlock & kerb-stone work, etc in 2005, we established as a Limited Liability Company LLC in 2016 with a vision to harness the immense development potential of the country's construction contracting sector & to deliver quality services to the upcoming construction sector of the Emirates. Our team can boast of proven Responsibility on successful Execution & handing over of a Number of villa projects, Commercial projects, industrial projects, etc.

**"GOOD BUILDINGS COME FROM GOOD PEOPLE, AND
ALL PROBLEMS ARE SOLVED BY GOOD DESIGN"**

MD'S Message

Dear Valued Clients & Business Associates,

It gives me great pleasure to speak with you about the **Nation Building Cont. LLC**, and this tremendous journey we have been involved with during the past one decade. Having set out to achieve a better construction company, we are all the more geared to grab the opportunities that are fast unfolding with the coming up of more and more infrastructure generation projects in the Emirates. In the wake of rising competition in this sector, the management realizes the significance of further boosting and strengthening the key aspects that have been responsible behind the steady growth of the group through these years.

Full Commitment towards On-Schedule Project Completion

Achieving successful project completions in a world of constant change is the major challenge in managing construction today.

Maximum Emphasis on using the latest Tools of Trade in carrying out Projects

The complexity of construction today, combined with the size of an owner's investment, has magnified the importance of successful project completion.

Always strive to Deliver what we have Promised to our Clients

Dependable, predictable performance thus becomes the barometer by which a construction company is selected. In these areas Nation Building Contracting LLC has few peers.

We have always believed that the prime reason behind all these activities is to achieve Complete Customer Satisfaction in all the projects we deliver to our clients. These 3 commandments are those unflinching lights that we have held on to in the past, even through the darkest and the stormiest nights. Moving ahead, we are fully committed to carry out the same work ethics & policies to ensure that our deliverance are always above and beyond our clients' expectations. & their belief in us keeps growing even bigger, as we go about delivering their projects with professionalism & expertise.

Sincerely,
Dara Singh
Managing Director

VISION

We strive to evolve as one of the most privileged firms in the construction contracting industry of the Emirates.

MISSION

We endeavor to be a leading firm reputed for quality, time- bound delivery, customer satisfaction and to be a motive force in the forward march of the industry. We aim to create a dedicated man power through exacting enrollment and ceaseless development of skills and professional integrity.

OBJECTIVE

We aim to meet the ever-expanding demands and requirements of Emirate's construction contracting industry through expertise workforce and rigid work ethics. We also focus to continuously develop our dedicated and confident work-force committed to the continual process of personal and organizational growth.

Integrity and highly upheld ethics are our guiding lights in the business. What we value is healthy and fair competition with our counterparts in the industry Our principles are what we uphold in our inter and intra-organizational relationships.

HEALTH, SAFETY & ENVIRONMENT

Nation Building Cont. LLC regards Health, Safety and Environment (HSE) measures as a mutual objective of management and employees at all level. The management is firmly committed to the health & safety of the manpower and projects we work with and sustaining the environment we work in. This also includes employees of our subcontractors and others who may be affected by its activities. We believe that good HSE practices and performance is vital to the success of our business.

Our goal is continuous record of:

- ★ No accidents,
- ★ No harm to people and
- ★ No damage to the environment

To realize our goal, following initiatives are part of our day-to-day management of work activities:

- ★ HSE issues are part of the agenda of all management meetings. Senior Management is actively involved in HSE implementation.
- ★ Ensure compliance to all laws, regulations, statutes and decrees of the United Arab Emirates.
- ★ Continue to protect the environment in our projects and operations by reducing waste, emission and discharge and by effective use of relevant energy.

In particular, the Company has a responsibility:

- ★ To provide and maintain safe and healthy working conditions.
- ★ To provide training to enable employees to perform their work safely and efficiently.
- ★ To establish a system of employee feedback on HSE matters for continual improvement and
- ★ up-gradation of standards.

Employees have a duty to co-operate in the operation of this policy:

- ★ By working safely and efficiently.
- ★ By using the protective equipment provided and by meeting statutory obligations.
- ★ By reporting incidents that have led or may lead to injury or damage.
- ★ By adhering to Company procedures and systems of work.

The company sees this policy as a vital element of the day-to-day operations & our success in the future. We shall therefore continually pursue this policy through strong management commitment and structured HSE plan of implementation

Our Services

CONSTRUCTION CONTRACTING DIVISION

Construction is a high hazard industry that comprises a wide range of activities involving plans, design, constructs, alteration, maintains, repairs and eventually demolishes buildings, civil engineering works, mechanical and electrical engineering, and other similar works. Construction is always complex that makes industry susceptible to disputes, delays and cost exceeding. So it is very important to choose out a perfect construction contractor who ensures the following: Quality, Cost-Effectiveness, and Timely Completion. That is what we have been delivering from our first project and looking forward to continuing the same. We approach every project as a partner of the Client (and their representative Engineers), by executing value engineering solutions during the course of work. We are at your service in the following:

- Villa Projects
- Commercial Projects
- Industrial Projects

INTERIOR WORK DESIGN

Interior design is the art and science of enhancing the interior of a building to achieve a healthier and more aesthetically pleasing environment for the people using the space. Selecting a proper team for the interior work can deliver out the perfect expectation of the designer and the client. We have been making out the art of many designers to reality with utmost client satisfaction. We are at your service in the following:

- Partition Works - Wooden, Glass, Aluminum, Gypsum. etc.
- False Ceiling Works - Gypsum Board, Aluminum. etc.
- Flooring Works - Marble, Granite, and Tile. etc.
- Wall Cladding Works - Glass, Marble, Granite, Tile. etc.

MAINTENANCE DIVISION WORK

Building a project comprises of many tasks of execution in which each and Every task is important for the strength, durability, and aesthetics of the Project. The availability of team expertise in all tasks is near impossibility. So We need to out-source the tasks to proper team to achieve greater products. We have been satisfyingly performing sub-task in the industry for the last decade. We are at your service in the following:

- Wall Plastering.
- Block-work including Claustra Block Work.
- Interlock and Kerb-stone work.
